Yosha, Cook, and Tisch Attorneys Named to Best Lawyers

We are proud to announce that three of our esteemed lawyers here at Yosha, Cook, and Tisch were named the Best Lawyers 2022! Best Lawyers is a website that serves as a resource for finding the best legal talent around the world. It is an honor that three of our own attorneys, Bryan, Rich, and Buddy, made the list for 2022.

The Selection Process for Best Lawyers

The methodology in lawyer selection at Best Lawyers is based solely on peer review. Opinions from leading lawyers are considered within the same geographic location and practice area. Their survey process evaluates attorneys in a meaningful way, based on the confidential opinions of high-quality voters, namely previously recognized Best Lawyers. Those named in Best Lawyers are automatically re-nominated to the next research cycle, then they evaluate other peer lawyers for that cycle, and so on. Recognized Best Lawyers around the world are featured in the company's regional magazines and partner publications, along with other great benefits.

Our Recognized Best Lawyer Attorneys

Richard A. Cook was named for the first time in Best Lawyers this year. We are so proud of his

accomplishments this year and are honored to see him recognized! Rich is an Indianapolis trial attorney and civil litigation advocate who prides himself in representing the best interest of the client with professionalism and respect.

Bryan C. Tisch was named for the third time in a row in Best Lawyers, since 2020. We are glad to see his continued esteemed recognition. Bryan is an Indianapolis trial attorney who focuses on the practice areas of civil litigation, personal injury, and wrongful death.

Louis Buddy Yosha was named for the **thirty-ninth time** in a row in Best Lawyers. Louis "Buddy" Yosha, the founder of Yosha Cook & Tisch, has been recognized in every edition of Best Lawyers since its first publication in 1983. Only a select few lawyers in the country have accomplished this feat, but no personal injury lawyer in Indiana has besides Yosha. We are delighted and honored to see that Buddy was recognized again by Best Lawyers for 2022. Buddy is a personal injury trial attorney who has received a variety of national recognition and acclaim spanning several decades. He is still in practice and also acts as an educator, lecturer, and guest speaker. Buddy has been recognized by his peers and colleagues as a top personal injury-plaintiff lawyer in the United States. Buddy has accomplished this achievement by gaining

Furthermore, Buddy has gained his "best" reputation by prevailing against corporate insurance giants and fighting for the people.

Yosha takes cases on a contingency fee, allowing seriously injured clients access to the best possible legal representation without incurring retainer fees before the case settles.

Buddy has also been recognized in the top 5 percent of the Best Lawyers in America for personal injury litigation. Being included in the top
